## Work Experience

---

### Matscorp Plastic Handler

July 2016 – Present

I was previously working at a factory 5 days a week from 11-7, I've moved plastic and other materials through the nightshift and gained experience in a fast-paced environment

### Osmows Packager

June 2021 – Present

Currently working at Osmows as a packager through the week, during my shifts I've been in an fast pace environment and multitasked the work load given

## Projects

---

### Album Covers

Design 1 | 2019

I had to use random images given and create an album cover out of it. I created sketches and ideas from the images in which came out great and had a positive outcome from everyone

### Packaging Design

Design 3 | 2020

Create packaging for a company, in which i chose Barefoot Wine. I wanted to keep the style of the company with a twist to it, the outcome was great
